REMARKS

Applicant requests examination and allowance of the application in view of the foregoing amendment and the following remarks.

Claim 25 is amended to correct the lack of antecedent basis error noted in Paragraph 3 of the Office Action.

Applicant elects Species A, Figs. 1-3. Claims 20-38 read on the elected species.

Applicant submits that at least independent claims 25 and 33 are, in fact, generic, contrary to the assertion in the Office Action that no generic claims are present. Should the Examiner disagree with this reading, the Examiner is respectfully requested to telephone applicant's undersigned attorney at (216) 622-8578 to discuss this matter.

Applicant notes in response to paragraph 4 of the Office Action that the cited material is inadvertent and should not be included on the pages. The claims listing that is provided with this Amendment does not include such incorrect material.

Respectfully submitted,

Date: November 15, 2004
